AGENDA

Announcements

Guest Speaker - Richard Pastore, P.E. RP Engineering Civil Engineers provided a question & answer period concerning the Phase One requirement for Land Acquisitions. He has clearly stated these acquisitions will not be an easy acquisition. Mr. Pastore has accepted an invitation to return to a BSFD Council Meeting for further explanation and questions, at a time that is convenient for all.

Looking forward to getting the Fund Raising in motion for the new Kid's Playground amendments.

Our goal is to provide a huge contribution towards our \$ 14,500.00 need by reaching out to BSFD Community itself, all our local business neighbors, and our friends and family !

Vice Chair Paulette Brousseau sold LT Tee Shirts at The Never Dunne Fundraiser.

Laurie Beatty offered to assist Paulette and was accompanied by Jim Hill from 10:30am-1:30pm. Thank You All. Great Teamwork

A Bittersweet Goodbye - Kelly Sheridan, LT Trustee & Secretary and Kevin Dolan, LT Trustee It has been a pleasure serving with each of you for the past two (2) years. Many Thanks !
