1. Kelly Beach

- The port-a-john has been removed, port-a-john enclosure has been stored in the BSFD garage along with all related beach equipment.
- Port-a-John three-year CRMC assent renewal is required prior to the 2027 season. My plan is to initiate the renewal process in early October.

2. Little Beach

- Lawngevity of RI has been retained with a handshake to continue Little Beach raking for the 2027 summer season.
- Little Beach raking three-year assent renewal is required prior to the 2027 season. My plan is to initiate the renewal process in early October.

3. Community Center Activities

- Community Center snow removal –
    - I will be presenting bids from Lawngevity and BayScape. They both have commercial insurance and will shovel and salt the sidewalk. I recommend you hire one of the two for this upcoming winter. **I'll be happy to address any question at the council meeting as this is an agenda item.**
- Ocean State Rhode Races will conduct its annual marathon on Sunday, October 25. A portion of the race will pass through Bonnet Shores.
- Port-a-johns will be delivered on Saturday, October 24, and removed on Sunday, October 25.
- Bonnet Shores water stations will be provided along the race route.

Scheduled Rental

- October 30 – tentative
- Thanksgiving - tentative

Yard Waste Final Collection

- October 31

4. Culvert Update

- George Sherman Excavation opened the culvert as this past storm impeded flow.
- The culvert continues to operate normally, with uninterrupted water flow.
